TO SECURE TO Grantee the following: (a) the repayment of the indebtedness evidenced by a certain Mortgage Note made by Grantor dated December \_\_\_\_, 20\_\_ (the “**Note**”), in the sum of \_\_\_\_\_ **AND 00/100 (\$\_\_\_\_\_.00) DOLLARS**, with principal and interest payable as provided in said note and with the balance of the indebtedness, if not sooner paid, due and payable on or before \_\_\_\_\_, 20\_\_; (b) the payment of all other sums advanced in accordance herewith to protect the security of this Mortgage together with interest and charges thereon; (c) the performance of the covenants and agreements herein contained; (d) the payment of any and all other indebtedness, whether direct or indirect, now or hereafter owing to Grantee by Grantor, or by any individual or entity included in the term Grantor, regardless of the type, class, or purpose of any such other indebtedness, and however such indebtedness is evidenced.

To have and to hold the Property, with the appurtenances hereof unto Grantee, his heirs, successors and assigns forever, to him and their own proper use and behoof. Grantor and Grantee covenant, mortgage, warrant and agree as follows:

---

1. PAYMENT OF SECURED OBLIGATIONS. Grantor shall perform and comply with all provisions of this Mortgage and will promptly pay to Grantee the principal, interest and all other sums required to be paid by Grantor under the Note and all other documents executed in connection with this transaction when payment is due and payable. Grantor shall comply with all the terms of the Note, Mortgage and all other loan documents.

2. WARRANTY OF TITLE. Grantor covenants that Grantor is lawfully seized of the estate hereby conveyed and has the right to grant and convey the Property; that the Property is unencumbered except for current year's taxes, and such other matters as are set forth on Schedule C attached hereto (the "**Acceptable Encumbrances**"); and that Grantor will warrant and defend generally the title to the Property to Grantee against the lawful claims and demands of all other persons.

3. INSURANCE. The Grantor shall keep all buildings erected on or to be erected on said premises insured against loss by fire and such other hazards as the Grantee may require, shall purchase liability insurance providing coverage of not less than \$\_\_\_\_\_.00 per occurrence and not less than \$\_\_\_\_\_.00 total liability coverage and such other insurance as Grantee shall require in companies approved by the said Grantee in such sums as the Grantee reasonably may require, with Grantee named as Mortgagee and the loss payee on the policy with a standard Mortgagee clause and with loss by terms of policies made payable to the Grantee as his interest may appear, the Grantee to have the custody of all such policies and all other policies which may be procured insuring said premises, the same to be delivered, premiums paid, to the Grantee at his office and all renewal policies to be delivered, premiums paid at least \_\_\_\_\_ days before the expiration of the old policies; and the Grantor agrees that upon failure to maintain the insurance as above stipulated, or to deliver said renewal policies as aforesaid, or to pay the premiums therefore, then Grantee may procure such insurance and pay the premiums therefore and all sums so expended shall immediately be paid by the Grantor and unless so paid, shall be deemed part of the debt secured hereby, and thereupon the entire principal sum unpaid, including such sums as may have been paid for premiums of insurance as aforesaid, and any and all other sums which shall be payable hereunder shall become due and payable forthwith at the option of the Grantee, anything herein contained to the contrary notwithstanding. In case the Grantee elects under this article to advance insurance premiums, the receipt of the insurance company in which such insurance is placed shall be, with respect to any such insurance premiums, conclusive evidence of the amount and fact of payment thereof.

In case of loss and payment by any insurance company, the amount of insurance Money received shall be applied either on the indebtedness secured hereby, or in rebuilding and restoring the damaged property as the Grantee may elect; provided, however, that if Grantee elects not to apply the insurance proceeds to the restoration, rebuilding or repair of the damages property, Grantor shall not be required to restore, replace, rebuild or repair the portion of the Property damaged or destroyed, and the failure to do so shall not constitute an Event of Default under this Mortgage. The Grantor

shall claim no cancellation or return any policy or premium except from and after the redemption of this Mortgage by the Grantor.

If the premises is located in an area designated by the Federal Emergency Management Agency or the Flood Disaster Protection Act of 1973 (P.L. 93-234) as being in a "special flood hazard area" or as having specific flood hazards, whether now or at any time hereafter, Mortgagor shall also furnish Mortgagee with flood insurance policies which conform to the requirements of said Flood Disaster Protection Act of 1973 and the National Flood Insurance Act of 1968, as either may be amended from time to time. The amounts of any such insurance coverage shall be in an amount equal to the full insurable value and shall be maintained thereafter at all times in an amount such that Mortgagor will not be deemed a coinsurer under applicable insurance laws, regulations, policies or practices. Renewals of such policies shall be so delivered at least ten (10) days before any such insurance shall expire. If Mortgagor shall fail to provide any such insurance, or shall fail to replace any of the same within \_\_\_\_ (\_\_\_\_) days after being notified that the insuring company is no longer approved by Mortgagee, or if any such insurance is cancelled or lapses without replacement, Mortgagee may, at his option, procure the same in such amount as Mortgagee may reasonably determine and the cost thereof together with interest thereon at the highest rate provided for in the Note per annum from the date of expenditure by Mortgagee to the date of repayments by Mortgagor to Mortgagee shall be repaid by Mortgagor to Mortgagee on demand and shall be part of the indebtedness secured hereby.

4. PROTECTION OF LIEN. The Grantor shall pay all costs, expenses and reasonable attorney's fees incurred by the Grantee in protecting or sustaining the lien of this Mortgage.

5. REPAIRS. The Grantor shall maintain the Property in good condition and repair, shall not commit or suffer any waste of the Property and shall comply with, or cause to be complied with, all statutes, ordinances and requirements of any governmental authority relating to the Property. Grantor shall promptly repair, restore, replace or rebuild any part of the Property now or hereafter subject to the lien of this Mortgage which may be damaged or destroyed by any casualty whatsoever. Notwithstanding the foregoing, if such repair, restoration, replacement or rebuilding is necessitated by an insurance casualty or condemnation, Grantor's obligation to repair, restore, replace or rebuild the premises is conditioned upon receipt of insurance or condemnation proceeds, as applicable, for such purpose. The Grantor shall not initiate, join in or consent to any change in any private restrictive covenant, or private restriction (except those contained in occupancy leases), limiting or defining the uses which may be made of the Property or any part thereof, without the written consent of the Grantee.

6. INSPECTION OF PROPERTY AND RECORDS. The Grantee and any persons authorized by the Grantee shall have the right to enter and inspect the Property at all reasonable times. The Grantee and any persons authorized by the Grantee shall have the right, during normal business hours, to inspect and review the Grantor's books and records.

7. RIGHT TO CURE. In the event of any default in the performance of any of the Grantor's covenants or agreements herein, the Grantee may, at his option, perform the same and the cost thereof, with interest at the highest rate set forth in the Note secured hereby, shall immediately be due from the Grantor to the Grantee and secured by this Mortgage.

8. TAXES; PRIOR LIENS. Subject to the provisions of this Article, Grantor shall pay promptly when due all taxes, assessments, rates, dues, charges, fees, levies, fines, impositions, liabilities, obligations and encumbrances of every kind whatsoever now or hereafter imposed, levied, or assessed upon or against the Property or any part thereof, or upon or against this Mortgage or the indebtedness or other sums secured hereby, or upon or against the interest of the grantee in the Property, as well as all income taxes, assessments and other governmental charges levied and imposed by the United States of America or any state, county, municipality or other taxing authority upon or against Grantor or in respect to the Property or any part thereof; provided, however, that the Grantor may in good faith, by appropriate proceedings (including, without limitation, payment of the asserted tax or assessment under protest if such payment must be made in order to contest such tax or assessment), contest the validity, applicability or amount of any asserted tax or assessment and pending such consent the Grantor shall not be deemed in default hereunder if on or before the due date of the asserted tax or pending such contest the Grantor establishes an escrow acceptable to the Grantee in an amount estimated by Grantee to be adequate to cover the payment of such tax or assessment with interest, costs and penalties and a reasonable additional sum to cover possible interest, costs and penalties; and, if the amount of such escrow is sufficient to pay any amount adjudged by a court of competent jurisdiction to be due, with all interest, costs and penalties thereon, Grantor shall pay such deficiency no later than the date such judgment becomes final.

9. LATE CHARGE. The Grantee may collect a "late charge" not to exceed an amount equal to \_\_\_\_ per cent (\_\_\_\_%) of any installment of interest, principal, insurance and taxes which is not paid within \_\_\_\_ (\_\_\_\_) days of the due date thereof to cover the extra expenses involved in handling such delinquent payment.

10. PARTIAL FORECLOSURE. The Grantee may, at his option, foreclose this Mortgage for any portion of the debt or any other sums secured thereby which are then due and payable, subject to the continuing lien of this Mortgage for the balance not then due, but nothing in this Article shall impair or affect any right or remedy which the Grantee might now or hereafter have, were it not for this article, but the right herein given shall be in addition to any others which the Grantee may have hereunder.

11. RECEIVER. The Grantee in any action to foreclose this Mortgage, or upon the actual or threatened waste to any part of the Property, or upon default in the observance or performance of any covenant or agreement of the Grantor hereunder, shall be at liberty to apply for the appointment of a receiver as a matter of right, without

consideration of the value of the Property as security for the amounts due the Grantee, or the solvency of any person or corporation liable for the payment of such amounts.

12. RIGHT TO ENTER AND POSSESS. The Grantor agrees that in case of default in any of the payments stipulated in the Note or in case of default in any of the covenants and agreements set forth in the Note and this Mortgage, beyond the expiration of any applicable grace period, the Grantee is hereby authorized and empowered, by his servant, agents or attorneys, to take possession of and enter upon the Property and to collect and receive the rents and income therefrom, and to apply so much of said rents and income as may be required in the necessary expenses of running the Property, including reasonable attorney's fees, management agent's fees, and if the Grantee manages the Property with his own employees, an amount equal to the customary management agent's fees charged for similar property in the area where the Property is located, and to apply the balance of said rents and income to the payment of the amounts due upon the Note or in payment of taxes assessed against the Property, or both. And for this purpose, and in case of such default, the Grantor hereby assigns, transfers and sets over to the Grantee the rents and income accruing from the Property. Nothing contained in the foregoing provision shall impair or affect any right or remedy which the Grantee might now or hereafter have, were it not for such provision, but the rights herein given shall be in addition to any others which the Grantee may have hereunder.

13. NO WAIVER, ETC. Any failure by the Grantee to insist upon the strict performance by the Grantor of any of the terms and provisions hereof shall not be deemed to be a waiver of any of the terms and provisions hereof, and the Grantee, notwithstanding any such failure, shall have the right thereafter to insist upon the strict performance by the Grantor, of any and all of the terms and provisions of this Mortgage or the Note to be performed by the Grantor; and neither the Grantor nor any other person now or hereafter obligated for the payment of the whole or any part of the sums now or hereafter secured by this Mortgage shall be relieved of such obligations by reason of the failure of the Grantee to comply with any request of the Grantor or of any other person so obligated to take action to foreclose this Mortgage or otherwise enforce any of the provisions of this Mortgage or of any obligation secured by this Mortgage, or by reason of the release, regardless of consideration, of the whole or any part of the security held for the indebtedness secured by this Mortgage, or by reason of any agreement or stipulation between any subsequent owner or owners of the Property and the Grantee extending the time of payment or modifying the terms of any of the Note or this Mortgage without first having obtained the consent of the Grantor or such other person, and in the latter event, the Grantor and all such other persons shall continue to be liable to make such payments according to the terms of any such agreement of extension or modification unless expressly released and discharged in writing by the Grantee; and, regardless of consideration, and without the necessity for any notice to or consent by the holder of any subordinate lien on the Property, the Grantee may release the obligation of anyone at any time liable for any of the indebtedness and may extend the time of payment or otherwise modify the terms of the Note and/or Mortgage without, as to the security or the remainder thereof, in any way impairing or affecting the lien of this Mortgage, or the priority of such lien, as security for the payment of the indebtedness as it may be so

extended or modified, over any subordinate lien; and the holder of any subordinate lien shall have no right to terminate any lease affecting the Property whether or not such lease is subordinate to this Mortgage.

14. DEFINITIONS. Wherever used in this Mortgage, unless the context clearly indicates a contrary intent or unless otherwise specifically provided herein, the word "Grantor" shall mean "Grantor and/or any subsequent owner or owners of the premises", the word "person" shall mean "an individual, corporation, partnership, limited liability company, or unincorporated association", the word "Note" shall mean the Note, a copy of which is attached hereto as Schedule B, and the word "Property" shall include the real estate hereinbefore described, together with all equipment, condemnation awards and any other rights or property interest at any time made subject to the lien of this Mortgage by the terms hereof, and pronouns of any gender shall include the other genders, and either the singular or plural shall include the other.

15. TAKING. Notwithstanding any taking by eminent domain, alteration of the grade or any street or other injury to or decrease in value of the premises by any public or quasi-public authority or corporation, the Grantor shall continue to pay interest on the entire principal sum then secured and all payment required by the Note and this Mortgage until any such award or payment shall have been actually received by the Grantee and any reduction in the principal sum resulting from the application by the Grantee of such award or payment as hereinafter set forth shall be deemed to take effect only on the date of such receipt; said award or payment may, at the option of the Grantee, be retained and applied by the Grantee toward payment of the monies secured by this Mortgage, or be paid over wholly or in part to the Grantor for the purpose of altering, restoring or rebuilding any part of the Property which may have been altered, damaged or destroyed as a result of any such taking, alteration of grade, or other injury to the premises, or for any other purpose or object satisfactory to the Grantee, but the Grantee shall not be obligated to see to the application of any amount paid over to the Grantor; and that is prior to the receipt by the Grantee of such award or payment the premises shall have been sold on foreclosure of this Mortgage, the Grantee shall have the right to receive said award or payment of the extent of any deficiency found to be due upon such sale, with legal interest thereon, whether or not a deficiency judgment on this Mortgage shall have been sought or recovered or denied, and to the extent of the reasonable counsel fees, costs and disbursements incurred by the Grantee in connection with the collection of such award or payment.

16. DEFAULT. It shall be an Event of Default and this Mortgage may be foreclosed at the option of the Grantee:

- (h) upon default in the observance or performance of any covenant or agreements of the Grantor under the Note (other than a default in payment of any interest or principal) within \_\_\_\_\_ (\_\_\_\_) days after notice from Grantee; or
- (i) upon default in the observance or performance of any other covenants or agreements of the Grantor hereunder, or in any security agreement, collateral assignment of leases and rentals, guaranty or any other instrument securing the debt or any portion thereof, and the failure to cure (if curable) any such breach or failure within any applicable grace period ; or

- (m) the filing by or against the Grantor of any petition, arrangement, reorganization, or the like under any insolvency or bankruptcy law and the continuation of such proceeding unstayed, undismissed and unbonded for more than \_\_\_\_\_ (\_\_\_\_) days, or the adjudication of the Grantor as a bankrupt, or the making of any assignment for the benefit of creditors, or the appointment of a receiver for any part of the Grantor's

properties or the admission in writing by the Grantor of the inability to pay debts as they become due; or

(o) the passage or enforcement of any federal, state, or local law for the rendition of a final decision of any court (other than the law or decision with respect to a tax upon the general revenues of the Grantee) in any way directly changing or affecting the loan evidenced by this Mortgage or lessening the net income thereon in a fashion which cannot be, and is not, corrected or reimbursed by the Grantor within \_\_\_\_\_ (\_\_\_) days after receipt of notice thereof from Grantee to Grantor of the occurrence of such an event; or

(p) the passage or enforcement of any federal, state, or local law or the rendition of a final decision of any court in any way impairing the Grantee's ability to vary interest payable under the documents evidencing the loan secured by this Mortgage in accordance with the terms thereof; or
